

§ 181.46 Time and place for filing drawback claim.

(a) *Time of filing.* A drawback claim under this subpart shall be filed or applied for, as applicable, within 3 years after the date of exportation of the goods on which drawback is claimed. No extension will be granted unless it is established that a Customs officer was responsible for the untimely filing. Drawback shall be allowed only if the completed good is exported within 5 years after importation of the merchandise identified or designated to support the claim. A good subject to a claim for same condition drawback must be exported before the close of the 3-year period beginning on the date of importation of the good into the United States.

(b) *Place of filing.* A drawback claim must be filed at the drawback office(s) where the manufacturing drawback contract is on file, whether a general rate or specific rate, but exportation need not occur from that port. To facilitate expedited processing of claims, claimants should file same condition drawback claims in the port where the examination would take place (see § 191.141(b)(3) (ii) and (iii) of this chapter). Customs must be notified at least 2 working days in advance of the intended date of exportation in order to have the opportunity to examine the goods.

§ 181.47 Completion of claim for drawback.

(a) *General.* A claim for drawback shall be granted, upon the submission of appropriate documentation to substantiate compliance with the drawback laws and regulations of the United States, evidence of exportation to Canada or Mexico, and satisfactory evidence of the payment of duties to Canada or Mexico. Unless otherwise provided in this subpart, the documentation, filing procedures, time and place requirements and other applicable procedures required to determine whether a good qualifies for drawback shall be in accordance with the provisions of part 191 of this chapter; however, a drawback claim subject to the

provisions of this subpart shall be filed separately from any part 191 drawback claim (that is, a claim that involves goods exported to countries other than Canada or Mexico). Claims inappropriately filed or otherwise not completed within the 3-year period specified in § 181.46 of this part shall be considered abandoned.

(b) *Complete drawback claim—(1) General.* A complete drawback claim under this subpart shall consist of the filing of the appropriate completed drawback entry form, evidence of exportation (a copy of the Canadian or Mexican customs entry showing the amount of duty paid to Canada or Mexico) and its supporting documents, certificate(s) of delivery, when necessary, or certificate(s) of manufacture and delivery, and a certification from the Canadian or Mexican importer as to the amount of duties paid. Each drawback entry form filed under this subpart shall be conspicuously marked at the top with the word “NAFTA”.

(2) *Specific claims.* The following documentation, for the drawback claims specified below, must be submitted to Customs in order for a drawback claim to be processed under this subpart. Missing documentation or incorrect or incomplete information on required customs forms or supporting documentation will result in an incomplete drawback claim.

(i) *Manufacturing drawback claim.* The following shall be submitted in connection with a claim for direct identification manufacturing drawback or substitution manufacturing drawback:

(A) A completed Customs Form 331, to establish the manufacture of goods made with imported merchandise and, if applicable, the identity of substituted domestic, duty-paid or duty-free merchandise, and including the tariff classification number of the imported merchandise;
